

The Danish Chemical Society Annual Meeting 2016

9th of June 2016, Odense, University of Southern Denmark

Plenary lecture

Prof. Matthias Beller

Leibniz-Institut für Katalyse (LIKAT Rostock) & University of Rostock, Germany

"Be Green! Sustainable Catalysis for (Practical) Organic Synthesis"

session lectures / sektionsforedrag

The Division of Organic Chemistry /
Sektionen for Organisk Kemi

The Division of Analytical Chemistry /
Selskabet for Analytisk Kemi

The Division of Inorganic Chemistry /
Sektionen for Uorganisk Kemi

The Division of Theoretical Chemistry /
Sektionen for Teoretisk Kemi

The Danish Society of the History of Chemistry /
Dansk Selskab for Historisk Kemi

Chemical Engineering /
IDA Kemi – Kemiingeniørgruppen

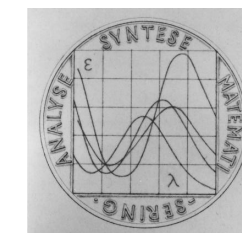

The Division of Pharmaceutical Chemistry and
Technology / Sektionen for Farmaceutisk Kemi og
Teknologi

Danish Society of Pharmacology, Toxicology and
Medicinal Chemistry / Dansk Selskab for Farmakologi,
Toksikologi og Medicinalkemi

Danish Society for Molecular Spectroscopy /
Dansk Forening for Molekylspektroskopi

Ellen og Niels Bjerrums Kemikerpris 2016/
Ellen and Niels Bjerrums Chemistry award 2016

Poster Session
